

KENOSHA PUBLIC LIBRARY

SMOKE/VAPE FREE POLICY

The Board of Trustees of the Kenosha Public Library adopts and makes public the following written policies.

This policy establishes rules for Kenosha Public Library employees and customers to comply with 2009 Wisconsin Act 12, commonly referred to as “Smoke-Free Wisconsin.”

Smoking/vaping is prohibited within all Library buildings, grounds, and vehicles except in designated smoking/vaping areas.

Smoking/vaping by Library employees and customers is only permitted in a designated outdoor smoking/vaping area that is at least 25 feet from any entrance to a Library building. “Designated Smoking/Vaping Area” signs will identify these outdoor smoking/vaping areas near Library buildings. Library employees and customers may not smoke/vape within 25 feet of a Library vehicle. “No Smoking/Vaping” signs will be posted at the primary entrances to all Library buildings and vehicles.
