

### Summer Letterbox 3

Decoding skills required. This is a Pigpen Cipher. Use it to solve the first clue.

**Begin your hunt at:**

For many letterbox hunters, it may be your first time in a modern Gingerbread House! KPL is so proud of this beautiful location, and don't worry the fireplace is only for decoration.

Once you are inside, admire the fine craftsmanship and woodwork. Next you will look for a wooden cabinet unlike the original wood of the structure. This cabinet will have drawers that hold many sounds of the world compressed into flat discoid technology. One of the items has a letterbox hidden inside.

You now have all the information you need to find the stamp. Good Luck!

Please sign or stamp our logbook for each person in your group. Stamp your personal journal with the stamp provided and return it to the letterbox. **Do not keep the stamp.** Rehide the letterbox. Please report missing pieces or damage to [msiehr@mykpl.info](mailto:msiehr@mykpl.info)
